Below the header, the board is titled 'Phonics activities' with the subtitle 'Be empowered to spell'. The board background is a textured, reddish-brown surface. Five white rectangular notes are arranged vertically in the center of the board, each containing a learner's feedback comment. A pink circular button with a white plus sign is located in the bottom right corner of the board area.

## Phonics activities

Be empowered to spell

It helped me seeing I only had a part of the word wrong, I'm going to concentrate on that now

It didn't make me feel better getting certain parts of the word right because I always want to get the whole thing right

I found it hard because I couldn't hear the separate words

I didn't like putting words into columns as it was confusing to think of the sounds

I liked the activity with 3 different sounds of ea because it was easy to think of words
