

# English: Speaking, Listening & Communicating

This course focuses on developing learners' speech, language and communication skills for English and maths teaching and learning and there is a specific focus on supporting SEND and neuro-diverse learners.

## Training aim:

This course will build knowledge and understanding in relation to developing learners' speech, language and communication skills through English and maths teaching and learning, with a particular focus on SEND and neuro-diverse learners.

## Who is the course for?

This course is suitable for anyone supporting learners' development of speaking, listening and communication skills (teachers, trainers and support specialists).

## Learning outcomes:

- By the end of the session, participants will be able to:
- Share why SpLC skills are important for learning and development.
  - Discuss how SpLC skills can be built into English and maths teaching, learning and assessment.
  - Consider some of the specific difficulties faced by SEND and neuro-diverse learners, and share some strategies to support these learners.
  - Trial some key resources and activities that help develop learners' SpLC skills.

## Cost:

Blended learning (1-day equivalent) in-house course: £500
